

# MSC Melody

MSC Cruises

Just like a favourite piece of music, a cruise holiday aboard the luxury MSC Melody cruise ship from MSC Cruises lines will remain in your memory long after your voyage has ended. The smallest in MSC Cruises' fleet, MSC Melody is designed to meet the highest standards of Italian style and sophistication, whilst offering a relaxed and informal cruise-ship experience. Graceful public areas with grand high ceilings lend the MSC Melody a sense of openness. Comfortable, stylish staterooms are spacious and well-appointed. The ship's retractable, transparent Magrodome allows you to enjoy one of the two swimming pools and whirlpools even if the skies cloud over. Boasting the best of modern amenities, you can indulge in a treatment at the beauty salon and wellness centre or take in the rejuvenating ocean air on our specially-appointed jogging track. Don't forget to sample wonderful cuisines in one of the two restaurants and comfortable lounges, and round off your day with a night of cards in the Seven Seas casino!
