# Czech Beer Festival 2012

For a two week period in May and June, Prague has prepared a selection of the best from Czech breweries, Czech chefs, butchers and bakers. More than 70 brands of fresh beers are presented for tasting, always in top quality. Not only beers from large breweries are on hand, but those from regional breweries and micro-breweries are on draft, too. Hundreds of young adults in Czech national costumes are your servers in an unparalleled atmosphere of large-scale tents. Each tent has its own stage with colorful entertainment programs. The Czech Beer Festival has its own currency, too. The beer "tolar" helps to speed the payment process and the service provided to the attendees. Enjoy reserved seats and your own starter packet of tolar to enjoy the Beer Festival food and beverages.

In "Golden Prague", the city of Slavic legends comes alive as you join a **local guide** for a walking tour around the **Castle, Cathedral and Old Town**. From atop the hill at the castle, you will see the "Golden Prague", with over 500 church spires and the silvery winding ribbon of the **Vltava River**. Prague's castle is the largest preserved fortress from the middle ages in all of Europe. Personal time can be spent wandering off the beaten track into Prague's side streets and courtyards, or into the old Jewish Quarter, and many of the city's churches. Perhaps you will be tempted by the crystal and garnet shops, or the windows full of traditionally painted eggs and unique table linens. Street musicians and performers liven the atmosphere – so be sure to keep some change available! On top of this, the Beer Festival beckons!

After experiencing all that Prague has to offer, visit Pilsen, home of the original pilsner beers and still a major producer of Czech brews. Pilsen is proud of associations with American visitors as the

city was liberated from the Nazi occupation by the 16th Armored Division of Patton's 3rd Army on 6 June, 1945. The annual Liberation Festival draws many visitors from the United States. Tour the **Pilsner Urquell brewery**, with a sample of their beer. A **refreshing lunch** provides fortification for the short tour in the old town and the bus ride back to the point of origin.

**Day 1:** Our tour begins with departures for our overnight travel to Prague.

**Day 2:** Arrive in Prague for an early breakfast (included). Travel by bus downtown and explore the castle area, cathedral and Old Town with a local guide. Spend some personal time downtown and return via metro to your hotel with the RTT guide. After checking into the hotel and freshening up, join the crowds at the Beer Festival for an evening of entertainment, good food and local beverages. Transportation is provided to the Festival and back. Taxi and metro service is available from the hotel lobby or near the hotel.

**Day 3:** After breakfast (included), depart for Pilsen and discover the original conditions of one of the world's most famous beers. A sample is included with your tour. Choose from a lunch menu listing and fortify yourself for the old town tour and return journey. Begin the journey homeward in the afternoon with a rest stop in Germany, arriving at point of departure around 10 p.m.
