Heidelberg

Scavenger Hunt and Old Town Tour

RTT has found a way to show you the city of Heidelberg from two perspectives. The first is the thoroughly modern funicular railway, which climbs from the valley level at the Neckar River to the Heidelberg Castle grounds. The split-level cars offer splendid views over the city and the surrounding river valley. The second, and more unusual perspective, is the historic and city-oriented scavenger hunt!

Travel directly to the Old Town center of Heidelberg and take a short walk to the Kornmarkt, departure point for the **newest funicular railway in all of Germany**. From there, experience the ascent at a rate of 4 meters per second as views of the city and Neckar River valley spread out below. Once at the **castle grounds**, use your admission ticket (included) to peruse the historic **Pharmacy Museum** or the **world's biggest wine vat** in the castle cellar. With a capacity of over 55 thousand gallons of wine, this barrel is an impressive sight! A monumental dimension is added to the castle gardens while strolling on the **"Great Terrace"** and enjoying the wonderful castle views with the river below. This is a photographer's delight!

Descend to the Kornmarkt with the funicular (again enjoying the views) and meet your local guide who has the **Scavenger Hunt** prepared. Divide into teams to conquer the challenge! The hunt takes place on foot, through many of Heidelberg's small alleyways and squares. A map and questionnaire will lead to unexpected facts and delightful aspects of the **Old Town**. Winners are awarded a small gift from the city and all receive a certificate.

Round out the experience of Heidelberg with a meal commemorating the hearty local cuisine. Choose from a variety of menus at the beginning of your tour day, and sit down to an enjoyable meal with new-found facts about Heidelberg for table conversations. The restaurant has a micro-brewery, so beverages (not included) are a real treat!

With a full belly and pleasant memories of Heidelberg, depart with the bus to return to Ramstein Air Base. **Return to the point of origin at approximately 6:30 p.m.**
