Castles on the Rhine & River Cruise

EACH MONTH ONE OF THE FOLLOWING CASTLES WILL BE VISITED:

Burg Reichenstein: One of the oldest castles on the Rhine, this 11th century robber knight's castle has been destroyed and rebuilt at least three times. Perched on a rocky ridge, its mighty wall and defensive towers contributed to the strength of its position on the Rhine. Valuable period furniture and an extensive collection of arms and armor are on display.

Burg Rheinstein: This privately owned castle dates from the middle ages, with many additions and restorations. A self-guided tour leads you through rooms with Gothic frescoes, stained glass from the 14th-16th centuries, antique furniture and a Neogothic chapel. Snacks and beverage are available from the cafe.

On all dates: Cable car to Niederwald Monument (weather permitting), Mechanical Music Cabinet Museum or Medieval Torture Museum.

Different castle tours throughout the year!

After the castle tour (included), we travel by bus to the Rhine River, where we will board our ship. We will enjoy a cruise through the most scenic part of the Rhine Valley where there will be explanations in English of historic sites and castles.

Once we go ashore, our bus will pick us up and take us on a picturesque ride to our restaurant. We will enjoy a typical German lunch (included) followed by a wine tasting of some of the famous "Rheingau" wines (included). You will have an opportunity to purchase some wines right then.

Afterwards, you have the cable car ride up to the Niederwald Monument (summer and Advent program) with a great view overlooking the Rhine River valley. In the winter, our tour visits either the Mechanical Music Cabinet Museum or the Medieval Torture Museum.

As a finale, visit Rudesheim, the best known town along the Rhine, where we will walk through the world-famous "Drosselgasse."

We return to points of origin at approximately 7:30 p.m.
