#### VALLETTA AND MDINA - MLT01

 **Duration**  
4 h

When in Malta, you can do no better than to pay a visit not only the island's current capital of Valletta, but also the former capital of Mdina, both of which are the fascinating destinations on this half-day tour. Valletta is first up, where you will go to see the wonderful Barrakka Gardens - a beautifully landscaped public park - to savour breathtaking views of the Grand Harbour, after which you will head for St. John's Co-Cathedral, built by the Knights of Malta in the second half of the 16th-century. The ornately decorated interior is rich in treasures, including a masterpiece by Caravaggio. The tour then continues to the medieval walled city of Mdina, which is situated in the middle of the island and is also called "The Silent City" due to restrictions imposed on motorised traffic. You will get to visit the Baroque-style St. Paul's Cathedral, which presides impressively over the town, before enjoying a walk through the narrow streets and lanes of this piece of living history. Your tour then draws to a leisurely close with your return to the ship.

Please note: as your visit to Mdina and Valletta will be entirely on foot and involves long periods of walking, guests of limited mobility are requested to evaluate their personal level of stamina and ability before taking part. Even though all sites visited are wheelchair-friendly, Valletta is mostly cobblestoned and might be uncomfortable for guests using a wheelchair. If they want to take part, they must be accompanied by a paying helper to aid with getting on and off the coach; wheelchairs must be collapsible/foldable since the coach has neither a ramp nor a lift. If the tour falls on a Saturday afternoon and on Public/National Holiday, the visit to the St. John's Co-Cathedral will be external only and guests will visit the National Museum instead. St. John's Co-Cathedral may close without prior notice for religious service. Guests are requested to wear appropriate attire for visits to sites of religious importance. ## THE NEOLITHIC TEMPLES & MARSAXLOKK BAY - MLT10

 **Duration**  
4 h

The islands of Malta and the nearby Gozo are home to an intriguing set of eleven prehistoric monuments, seven of which are classed as UNESCO World Heritage Sites, namely the marvellous Megalithic Temples of Malta. One of these fascinating sites of early engineering and worship forms the first stop on this half-day tour and will take you to the southeast of the island. These temples are among the oldest free-standing buildings ever found in the world - some pre-date the Egyptian pyramids - and make highly evocative representatives of a bygone age. You will then continue on to the pretty fishing village of Marsaxlokk, situated on the shores of Malta's second-largest natural bay, to see the traditional, brightly coloured "luzzu" fishing boats. In keeping with a seafaring tradition that possibly goes back as far as the Phoenicians, all of these luzzu have a pair of eyes painted on the bow, perhaps to make sure they always know where they're going. A panoramic drive through "Cottonera area" with a walking tour of the historic town of Vittoriosa - one of the three Historic Cities - comes next before reaching the port and your cruise ship.

Please note: this tour is unsuitable for guests with walking difficulties.

### PANORAMIC ISLAND TOUR - MLT24

 **Duration**  
4 h

A carefully curated crop of Malta's must-sees is on the itinerary of this appealing half-day tour, which will first see you board a coach to reach Vittoriosa (a.k.a. Birgu), an old fortified town that the Knights Hospitaller made their first Maltese home in 1530. From here, a guided walk will take you past such key landmarks as the waterfront, the Malta Maritime Museum, and the late 17th-century St. Lawrence's Church. Next up is a drive to the fishing village of Marsaxlokk, where you'll have free time to explore and check out the local luzzus, colourful little boats with a pair of eyes painted on the bow. The custom is thought to date back to the Phoenicians and is supposed to protect fishermen from harm while at sea. You will then head for Wied iz-Zurrieq, which, although famous for its beautiful natural arch hosting the famous Blue Grotto, is a place that offers enchanting views. You will have free time to take a walk along the pathways overlooking the sea or to visit the shop and the cafés on the street level. If you wish to visit the Blue Grotto, then venture down a steep incline to the sea level, purchase a ticket and take in a 20-minute boat ride to this famous attraction. The tour concludes with the return to the port and to your cruise ship.

Please note: the visit to Vittoriosa, Masraxlokk and Wied iz-Zurrieq will be entirely on foot and involves long periods of walking. Moreover, paved roads in Vittoriosa can be very uncomfortable for wheelchair users. There are two coffee shops/restaurants the same level of the coach park at Wied iz-Zurrieq. At Wied iz-Zurrieq the hill is very steep to reach the coffee shops at the lower level and the sea for those who want to do the boat trip. Guests of limited mobility are requested to evaluate their personal level of stamina and ability before taking part. #### PANORAMIC TOUR & SHOPPING - BCN02

 **Duration**  
4:30 h

The fabulous city of Barcelona is well worth a visit and this whistle-stop tour will take you to see the key sights during an enjoyable half day off the ship. Upon leaving the port, your tour begins with a drive through Barcelona's main streets and squares. A short stop will be made at Montjuich Hill to take in the superb view over the city before moving on for a brief external viewing of the Sagrada Família, Gaudí's striking yet unfinished neo-Gothic masterpiece. Then, there will be time for you to enjoy some shopping visiting one of the biggest Shopping Mall of the city: Maremagnum. Conceived as an all-family entertainment facility rather than just a shopping center, its location already makes it special: almost completely surrounded by water and accessible through a sophisticated wooden lifting bridge called Rambla de Mar. After spending some free time strolling around the Mall, meet your guide again for the return to the ship. Alternatively, you can stay around the area longer and eventually have a glimpse of the nearby Las Ramblas too.

Please note: due to traffic restrictions around the area of the Sagrada Família, the bus will stop close by and guests must walk approx. 15 minutes each way. Guests who decide to stay longer in the city will return to the port on their own using the shuttle service.

 **Duration**  
4 h

Don't miss the chance to discover the fascinating world and works of Barcelona's most important architect: Antoni Gaudí. After leaving the port, your tour will take you to Parc Güell, a garden complex and one of Barcelona's main tourist attractions, with its remarkable curving buildings, stunning mosaics, and ceramic-covered benches. A visit to this park will give you the feeling of entering a beautiful, fairy-tale world and will allow you to admire the view over the city thanks to its position on the side of a hill. After the visit, get back on the bus to continue the itinerary to discover the world of Gaudí. You will admire from the coach, the Basilica of the Sagrada Família, a neo-Gothic masterpiece whose works are not yet finished, and the famous Casa Batlló, a flamboyant building covered in thousands of multicolourful ceramic tiles, located along the charming boulevard Passeig de Gràcia. Finally, your second internal visit will be to Casa Milà, better known as "La Pedrera" (The Quarry), which is undoubtedly Gaudí's most mature work. It has one of the most symbolic terraces in the city, thanks to the sculptural chimneys and vents designed by Gaudí, offering enchanting views of the Sagrada Família in the distance. It is one of the most representative buildings of Modernism. After the visit, board the coach for the return journey to the port.

Please note: Guests using a wheelchair are welcome to participate in this tour but should be aware that it includes long periods of walking, that they must be accompanied by a paying helper to assist with getting on and off the coach, and that wheelchairs must be collapsible/foldable, as the coach has neither a ramp nor a lift. ## SAGRADA FAMILIA & GAUDI'S BEST BUILDINGS - BCN58

 **Duration**  
3:30 h

A taste of the world of Antoni Gaudí, Spanish architect and leading exponent of Catalan modernism, awaits you on this half-day excursion. During the tour, you will discover how this artist shaped modernism according to his personal visions. Leaving the port, a scenic coach ride along the streets of Barcelona will take you to its main monument, the Sagrada Família. Afterwards, a 15-minute walk will take you to the Basilica, now a symbol of Barcelona and world-famous. You cannot remain indifferent to the beauty of this masterpiece by Gaudí. Its tall towers, the different facades of the building, the colourful stained-glass windows inside, the architectural lines that merged from the initial neo-Gothic style with modernism when the artist took over the construction work are just some of the elements that will allow you to understand why this monument is so famous. After visiting the interior and walking back to the coach, the tour will continue by discovering some of Gaudí's other masterpieces. Walking down the beautiful avenue Passeig de Gràcia, you will admire Casa Batlló, a flamboyant building that is covered in thousands of multi-coloured tiles. From there you will move on to Casa Milà, the last of Gaudí's civil works and perhaps the most visionary of all. Built of rough stone, the six-storey building has no less than three façades facing three different streets but the undulating shape of them makes them compact and creates a sense of architectural continuity that is hard to miss. Your tour ends with a scenic return drive to the port.

Please note: Guests of limited mobility are requested to evaluate their personal level of stamina and ability before taking part. Guests using a wheelchair are welcome to participate in this tour but should be aware that it includes periods of walking, that they must be accompanied by a paying helper to assist with getting on and off the coach, and that wheelchairs must be collapsible/foldable, as the coach has neither a ramp nor a lift. The visit of the Sagrada Família lasts approx. 30 minutes. Please consider that approx. 30 minutes are spent at checkpoint scanners at the venue; to speed up queues and pass the security, we recommend bringing only a small bag or backpacks. Moreover, as the entrance at the Sagrada Família is fixed at scheduled times, guests are kindly recommended to be punctual at the meeting points and during any stop throughout the tour. Any delay could reduce the time spent inside the venue. Due to traffic restrictions around the area of the Sagrada Família, the bus will stop close by and guests must walk approx. 10/15 minutes. Guests are requested to wear appropriate attire for religious visits. We suggest wearing comfortable shoes. Entrance tickets included: Sagrada Família.

### CYCLE THROUGH MARSEILLE - MRSBK1

**Duration**

Since Marseille is France's second largest city and was 2013's European Capital of Culture, this cycling tour intends to showcase the best cultural highlights of the ancient city, parts of which date back to around 600 B.C.. You'll be covering about 30 km on a moderately difficult biking route, with a first break scheduled at Marseille Cathedral, a minor basilica since 1896, so you can go inside. After then passing Fort Saint-Jean, you'll skirt the old town en route to Palais Longchamp, home to two museums. One of these exhibits art, the other historical artefacts and the gardens once housed zoo animals in the 19th-century. Although the old enclosures still stand, they are now occupied by animal statues rather than the real thing. Pedalling on, you'll then reach Pharo Gardens from where you can snap great photos of the port. As a final treat, you'll have time to do some shopping in the town centre before you begin to cycle back to the ship.

Please note: the tour involves cycling along an approx. 25-km route and is suitable only for guests with a high level of physical fitness. Children who are at least 155 cm tall are welcome to take part in this tour with the parent's/guardian's written consent.
