◆ Sightseeing at its Best

Why do people travel? To see the sights, of course! But why should you travel with Horizon Tours? Because we know you want more than to just "see the sights." You want to experience the country, understand the culture and see Europe through the eyes of the local people. Horizon Tours makes it a reality.

◆ Day time Travel

A Horizon Tour begins at the moment you board the bus, not when you arrive at the destination. There are no inconvenient and time consuming transfers. Traveling during the day allows you to experience the ever changing landscapes of Europe. You will see and hear about the unique landmarks along the way. And, you will always spend the night in a bed!

◆ Service to the Military

As a USAFE contractor, we are proud to serve those who serve and know about your requirements. If your leave suddenly gets cancelled and you are called in for duty, you can cancel a tour without any cancellation fee. All we need is a letter from your commander. If you are called in for duty while on tour, we will help to arrange an immediate return to your base.

◆ Tour Guides

The most appreciated difference on any Horizon Tour is the personal touch we provide through our tour guides. They take care of all the details so you can relax and enjoy a worry-free vacation. Their experience of many years on the job, their knowledge and their friendliness are some of the reasons our guests return to travel with us time and again.

◆ Hotels

Where you stay each night is as important as your tour destination. We believe in comfort and pleasure while on tour, so we select your accommodations based on ambience and location. All our hotels are First Class standard. Every overnight stay includes a buffet breakfast.

The most important aspect of any Horizon Tour is you, our VALUED CUSTOMER!
